B/D Fachada / Fachada

- A direção da inclinação pode ser ajustada de acordo com sua preferência. Neste exemplo, a inclinação do telhado é da direita para a esquerda. Também é possível fazer a inclinação da esquerda para a direita.
  Comece instalando os painéis do telhado e verifique a posição e o paralelismo com as paredes. Observe que os perfis de acabamento para o beiral do telhado só são colocados corretamente se os painéis do telhado estiverem na posição correta, alinhados corretamente e os cantos no topo das paredes estiverem em um ângulo perfeito de 90 °. Aperte os parafusos após instalar o porta.

- La dirección de inclinación se puede ajustar según sus preferencias. En este ejemplo, la inclinación del techo es de derecha a izquierda. También es posible inclinar de izquierda a derecha.
  Comience instalando los paneles del techo y verifique su posición y paralelismo con las paredes. Tenga en cuenta que los perfiles de acabado para los aleros solo se colocan correctamente si los paneles del techo están en la posición correcta, alineados correctamente y las esquinas en la parte superior de las paredes están en un ángulo perfecto de 90°. Apriete los tornillos después de instalar la puerta.
